Enter the email address that you access most frequently. Keep in mind that this will be our main form of communication and don't forget to look for new messages from CCCI in your mail box regularly.

After you enter your email address and click on **OK** a message will appear informing you that a validation code was sent to your email. Check your mailbox and copy the **validation code**.

Return to the application Page and enter the validation code.

In case you closed the application Page, open it again, enter your email address and **enter the validation** code that you received previously and click on **NEXT**

You are ready to begin filling out the application form. Don't forget to fill out any of the fields or the system will request that you return and complete what you left blank.

Once you have finished filling out the application form you will need to create a password. It is very important that you do not forget this password as you will need it in order to follow your application process.

In case you still have any questions contact the international students' coordinator at your university and he/she will get in touch with us.
